Working Bee

On Saturday the 25th of February Shoalhaven Clay target and Shoalhaven Sporting Clays held a working bee. The clay target club got all the DTL lanes and trap houses clean and tidied up and a new wall between the top and bottom layouts built and the beginning foundations for the front sign put in. The sporting clays club got all the traps maintained and cleaned up with some tender loving care and all the containers cleaned up, as well as the office, club house and canteen. Thank you to all members who came out, rolled up their sleeves and helped out.
